- November 5-7, 2009:** Follow up session held during the annual Indiana Foreign Language Teachers Association (IFLTA) conference

The purpose of the proposed conference is to gather Chinese language teachers an opportunity to develop the skill set that they will certainly employ throughout their teaching career. In addition, this workshop will serve to develop a network/learning community among Indiana's Chinese language educators. The workshop will focus on developing practical teaching skills that will be especially useful to teachers who are just beginning to teach in American schools.
